

**System and Unit Test Report, Share Yourself Artists, SYA Artists Team 1 (React/AWS), 12/2/18.**

**Sprint 1: N/A**

**Sprint 2:**

- A. User story 1: As an artist I need to sign up for an account so that I can create and access an Artist account

Scenario:

1. Start SYA app; select "artist sign up"; type
  - Username = <JohnArt>
  - Email = <jArt@gmail.com>
  - Password = <Pass999!>
  - Confirm Password = <Pass999!>
2. Receive verification code in email
3. Type Confirmation Code = 091007
4. Click Verify

- B. User story 2: As an artist I need to upload an image so that I have an online portfolio of submittable art

Scenario:

1. Start SYA app; select hamburger button then "Upload Art"; click "Choose File"
2. Select image file for upload
3. Click Next; type
  - Artist Name = <John Artist>
  - Art Title = <This is a Dog>
  - Description = <look at dog>
4. Click Upload

- C. User story 3: As an artist I need to sign in to an account so I have access to an Artist account

Scenario:

1. Start SYA app; select "sign in"; type
  - Username = <JohnArt>
  - Password = <Pass999!>
2. Click Sign in

**Sprint 3:**

- A. User Story 1: As an artist, I need to be able to view my artist dashboard so that I can see what artwork I have available to submit to businesses.

**Scenario:**

1. Start SYA app, select 'sign in'
    - a. Provide your existing artist login credentials on sign up page
    - b. You should land on the SYA homepage
  2. Use Left Navigation Bar to reach desired destination
    - a. Press the hamburger button on the left side navigation bar.
    - b. Click the 'Dashboard' button
  3. The user should now be on the dashboard page.
    - a. If they have previously uploaded art, they should see that artwork
    - b. If they have not submitted artwork, they see a message "No Art Uploaded Yet" and can select an "Upload Art" button.
- B. User Story 2: As an artist I need to be able to submit requests to businesses so they can send me feedback or share my work.

**Scenario:**

1. Select artwork to submit from artist dashboard. User must have previously uploaded art in order to submit
    - a. Press "Submit this Piece" on the artwork you wish to submit
    - b. User is displayed a list of businesses that they can submit to.
    - c. Select one business by clicking the "+" icon on their business card.
    - d. User is shown a confirmation page with a summary of their artwork + the business they are submitting to.
    - e. Click "submit" to send the request.
      - i. User is shown a prompt notifying them that the "Art is submitted"
      - ii. Hit "Ok" and the user ends back on the dashboard.
    - f. Click "back" to return to the list of businesses.
- C. As a user, I wish to see a homepage so that I can navigate the website.

**Sprint 4:**

- A. User story 1: As a user I need to choose to sign up for an artist or business account

**Scenario: (Create Business Account)**

1. Start SYA app; select "business sign up"; type
  - a. Username = <BusinessJohn>
  - b. Email = <Business@gmail.com>
  - c. Password = <Pass999!>
  - d. Confirm Password = <Pass999!>
2. Receive verification code in email
3. Type Confirmation Code = 091009
4. Click Verify

B. User story 2: As an artist, I need to view a review response to my submitted art

Scenario:

1. Start SYA app; sign in (assuming you have an artist account)
2. Select hamburger button, then "Reviews"
3. Artist should see three tabs on their review dashboard: All replies, unreplied, and replied.
  - a. Click view on a reply to see a summary of the review and a response (if there is one)

C. User story 3: As a business, I need to view Review Requests

Scenario: **NEEDS A REWRITE**

1. Start SYA app; sign in
2. Select hamburger button, then "Reviews"
3. User should see three tabs with reviews under each if they have received requests at all: All, Unreplied, and Replied. Each respective tab displays the reviews a business has received and determines whether or not they have replied to them.

D. User story 4: As a business, I need to respond to Review Requests

Scenario:

1. Login in to SYA as a business if not done already
2. Navigate to the reviews dashboard using the hamburger button on the left side
3. Pick a review request by hitting 'view'
  - a. User can respond to a request by clicking the 'reply' button
  - b. Enter a minimum of 50 character to submit the review
  - c. Select whether or not you would like to share their artwork
  - d. Press submit
  - e. User is navigated back to their review dashboard.

E. User story 5: As a User, I need to update my User Profile so I can have information about me available

Scenario:

1. Start SYA app; click hamburger button, then "My Account"
2. For All Accounts
  - Click "Instagram Handle"; type "https://instagram.com/johnny"
  - Click "Twitter Handle"; type "https://twitter.com/johnny"
  - Click "Tumblr"; type "https://tumblr.com/johnny"
  - Click "FaceBook"; type "https://facebook.com/johnny"
3. For Business Accounts
  - Click "Choose File"; select Image to upload an avatar
  - Click "About" field; type "About Me"

- Click “Worth Knowing” field “I am worth knowing”
  - Click “Additional Notes” field “Please contact me through email”
4. Click “Update Profile Information”
