User Stories

Sprint 1

- (13) As a developer I need to learn the technologies necessary to create the website

Sprint 2

- (10) As an artist, I need to Sign in/Sign up for an account so that I can create and access an artist account
- (21) As an artist, I need to upload an image so that I have an online portfolio of submittable art.
- (8) As an artist, I need to submit art so that I can send my art to businesses that can potentially choose to feature it.
- As an artist, I need to receive feedback so that I can receive and view each business's feedback on my art submissions
- (4) As an artist, I need to update my profile so that I can update contact info and other relevant information for businesses

Sprint 3

- As a business/blog I need to sign-up and sign-in with SYA so that I can remain a member.
- As a business/blog I need to be able to view the artwork that artists have submitted so that I can share their work
- As a business/blog I need to be able to respond to artists about their artwork so that I can provide feedback and share their work
- As a business/blog I need to be able to update my profile page so that it shows the most up to date information

Sprint 4

- As a artist I want a chat function to communicate with other artists or blogs
- As a business I want to see featured artists so that I can find new artists
- As an artist I want to see featured blogs so I know which blogs to submit to

Product Backlog

- Allow for monetization so that blogs can buildup an ad free platform for their viewers
  - Allow artists to buy credits through paypal that allow them to request paid reviews
  - Businesses who reply to paid reviews receive credits
